Connie, Traci may have already sent you an e-mail, but I was out of the office and saw your assignment due date..thought I would respond also. Your request has been approved as you submitted below. Any other use of the logos must have a separate approval from our office.

Good Luck.

Subject: use of logo for assignment

Hi, Ms. Blackwell,

I appreciate your help. My team mates and I would like to use the Mizzou logo that is a M with a tiger head on it with the word Mizzou under it. We would also like to use the photo of Jesse Hall with the columns in front of it. We would be using these for an assignment in 7360 Intermedieate Web Development. The assignment asks us to make a mockup and then website as a "Showcase" for student work in the course. We feel the logo and photo are appropriate for the assignment and would like permission to use them for this purpose. Thank you for your consideration.
