In two complete sentences tell me what skills/knowledge you gained or improved by completing the Photoshop projects.

[HTML Editor](#)

9.

Explain in two sentences why using Photoshop was a positive or negative experience and how you might use it in the future.

[HTML Editor](#)

10.

In a short paragraph (3-4 sentences) Describe the process you went through to create your scrapbook page - gathering photos, choosing a background, choosing a tutorial to include, layout (applying design principles SCRAP) choosing colors, choosing a font, and Photoshop techniques you used (layer styles, filters, tools used for selections, blending modes, etc.). Was the peer feedback helpful? Was the Vegas Scrapbook recreate and the Camping Scrapbook redo helpful?
