

## God and Goddess Research Power Point

The following is to be the format of your Greek God or Goddess Research Paper:

**Slide 1:** Title Slide. You need to have the name of your God/Goddess and the names of all of the group members.

**Slide 2:** Introduce your God/Goddess. Identify the parents of the God/Goddess. Give an introduction of their physical looks, powers, and weaknesses.

**Slide 3:** Describe in detail the weaknesses and powers of your God/Goddess. What types of animals or objects are special or sacred to your God/Goddess?

**Slide 4 and 5:** Describe in detail the story/myth of your God/Goddess. Why is the story significant to understanding the ancient Greeks? Why do you feel this myth was created and what do you see as its purpose?

**Slide 6:** Briefly “sum up” your God/Goddess’s powers and weaknesses. What is the most interesting fact about your God/Goddess?

**Slide 7 (Bibliography):** You **MUST** have a slide that cites your sources using our normal format. You will be given a Bibliography worksheet to help you with this.

**Picture:** Your Power Point must have at least one picture of your Greek God/Goddess. You may get a picture from a book or from a website.

**Sources for the Power Point:** You must have at least three sources. You will need one book, one internet, and one of your choice. You will be allowed to use the Encyclopedia on this project. The Percy Jackson Series is **NOT** allowed as a source!
